3

Send us your idea

Upload a photo or a sketch, and we'll turn it into resin.

Send an idea

Make it yours

Colour, small pieces inside, or your own photos. Every piece is poured by hand.

Colour

Pick from 28 epoxy colours, glitter and ink swirls.

Small pieces inside

Flowers, shells, charms, gold leaf and tiny letters.

Your photos

Custom photos set into resin, in any shape.

How it works

1

Design

Make your keychain here, or send us your idea.

2

Send by DM

Your design is copied into an Instagram message. Anna replies to confirm the price and date.

3

Handmade

Your piece is poured, cured and finished by hand in about 5–7 days.

4

Pick up or delivery

We agree in the chat how you'll get it.

Made in Phuket

Resincraftcode is a small studio run by Anna in Phuket. Every keychain is poured, polished and finished by hand.

Our beach pieces are Phuket-inspired: we use craft sand and faux shells, never anything taken from the beach.
